**TRANSPLANTS SAVE LIVES, INC.**

We are a non-profit organization for transplant recipients and their families, donor families, and people waiting for transplants and their families. We meet on a monthly basis at Good Samaritan Hospital in Suffern, NY. These meetings are a combination of support and keeping our members up-to-date on all issues of transplantation. Speakers represent all facets of organ donation and transplantation and are foremost in their field. We also enjoy social events together throughout the year.

We Look Forward to Seeing YOU at our Meetings!
